

# MULLIGANS FOR MUTTS

giving animals a second shot

Celebrate one of the longest days of the year by working a half-day then taking off early for a great afternoon of golf at the exclusive Lakewood Country Club.

Table Mountain Animal Center is proud to offer our supporters access to one of Colorado's premier, private golf clubs for the fourth annual Mulligans for Mutts golf tournament. Established in 1908 on an original farm site and designed by Tom Bendelow and Donald Ross, the rolling, wooded course features a creek that flows the length of the course and four lakes as water challenges. Rich in history, not only does this full-service country club feature impeccably maintained grounds but newly renovated multi-million dollar clubhouse facilities as well.

Mulligans for Mutts is an annual benefit for Table Mountain Animal Center, the second largest animal adoption facility in the Denver metro area. Proceeds will fund Table Mountain Animal Center programs including the new Surgical Utility Vehicle which provides medical care services including low cost spay/neuters, vaccinations and microchipping.
